

▶▶▶ Trading VEECs with Greenbank

Thank you for choosing to trade with Greenbank!

The Commercial Lighting app is now available to download (simply search Energy Bridge):

Please download our Commercial Lighting app to collect the relevant information and evidence required for us to process your claim. you will receive an email asking you to confirm your account. Please let me know if you would like assistance completing these estimates.

Greenbank offer 15 business day payment terms to the installer from the time that we receive all true and correct data.

Greenbank will take you through the process from start to finish. We will help you identify lighting type, space type and building classifications, complete forms accurately and decommission stock correctly in accordance with the mandatory requirements enforced by the Essential Services Commission (ESC).

Remember, we are here to help. You can contact us at any time and we will always be ready and happy to help.

I choose greenbank, to be sure

Method of submission to Greenbank

There are two options by which you can submit a claim's requirements to Greenbank:

1) Greenbank Commercial lighting app

This app captures all requirements in one location. You can take geotagged photographs, enter pre and post upgrade light numbers and types by area, take down lux measurements, and get owner signatures. This can be submitted directly to Greenbank. Please let us know if you would like an account to be set up.

2) Email/dropbox option

The requirements listed in this manual can also be submitted via email or dropbox. These will need to be submitted at once. All photos must be attachments, not in the body of an email. We will review and complete the finalization documents and send them to you to for the owner to sign. Please note that the payment period will only begin upon receipt of signed paperwork.
